## Score Report for [COMPAS-PY1]

Candidate	ธนากุล วงศ์สุทธิกุล
Citizen/Passport ID	1-7494-00095-11-4
Exam Date	21 March 2026
Valid Thru	21 March 2027
Examination ID	PY1005-F9WZQ9
Elementary Python Skill	100%
Basic Problem Solving	23%

**COMPAS-PY1** is a test of basic Python programming skill. Scores are provided in two categories:

- **Elementary Python Skill:** Assesses how well-versed the candidate is in introductory Python constructs, such as expressions, control flow, and functions.
- **Basic Problem-Solving Skill:** Assesses how well the candidate can write a simple program to perform a general computational task from a descriptive problem statement.

### Important Information:

- This document confirms that the candidate identified above took the exam on the specified date, and the score are valid for 1 year.
- This is NOT a certificate of achievement. A separate Certificate of Achievement is issued by the Department of Computer Engineering to participants who have successfully met all required scoring criteria for this examination.
- This report and accompanying certificate can be verified by going to the link in the QR Code.
